Objective: This Lab we have a few tasks to accomplish. We must reach chapters 4.5 and 5.9 in the Crafting a Compiler book as well as reading chapters 4.1 and 4.4.2 in the Dragon book. We then must complete exercises 4.9 and 5.10 from the Crafting a Compilers book. We must also complete exercise 4.4.3 from the Dragon book.

1 Crafting a Compiler

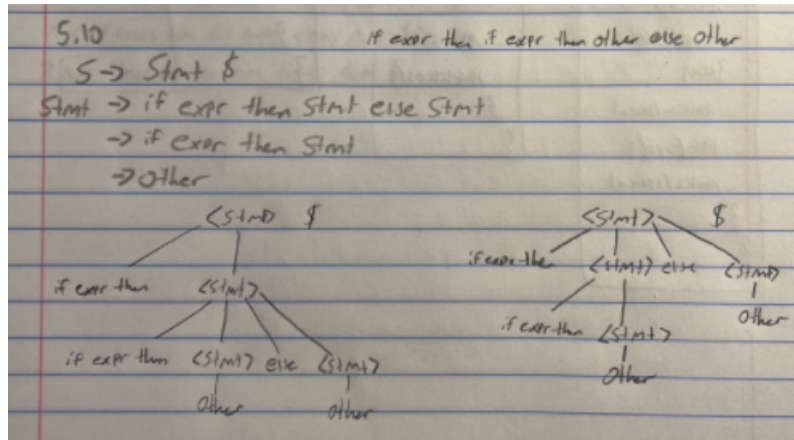

This section contains the assignments from the Crafting a Compiler book

1.1 4.9

Handwritten notes for exercise 4.9 showing LR(0) items and their first and follow sets.

	nullable?	first set	follow Set
$\langle S \rangle$	no	$\{a, b, c, d\}$	$\{e\}$
$\langle B \rangle$	no	$\{b, c, d\}$	$\{e\}$
$\langle C \rangle$	no	$\{c, d\}$	$\{e\}$

1.2 5.10

2 Dragon

This section contains the assignments from the Dragon book

2.1 4.4.3
